Sep 13, 2008 As you can see, Windows XP Tablet Edition is downloaded by the. Both are Windows XP Tablet Edition, but there are differences. Therefore, I

will need to be able to upgrade to Windows 7 and would like to know how to do this. I was told to use Windows XPSort by HP to do the upgrade. I am told that I need to use Windows XPSort to upgrade Windows XP Tablet Edition to Windows 7. Is this true? Will it work? Can I download XPSort from Microsoft? Is there a program I can use for this purpose? I am trying to do this upgrade myself and I'm a novice at Windows. I have downloaded Windows 7. Does it have an upgrade program? If so, is there a way I can use that to upgrade

Windows XP Tablet Edition to Windows 7? I have a Windows XP Tablet Edition HP TC4200 laptop and was trying to upgrade to Windows 7. Is there a way to use Windows XPSort to do this or any other way? Can I upgrade a Windows XP Tablet Edition HP TC4200 laptop to Windows 7? Can you tell me if the upgrade process will work from a downloaded Windows XP Tablet Edition SP1. A: If you're trying to upgrade Windows XP Tablet Edition to Windows 7, then you're doing it the wrong way. Microsoft has built Windows 7 to be

a tablet OS, not a laptop OS, and the two do things differently. For example, Windows 7 is a touch OS and you need to use the touch screen; a trackpad will not work with Windows 7. You don't need to do a Windows install in order to upgrade; you just need to download the Windows 7 upgrade media, plug in your PC, and follow the onscreen instructions. The question here comes down to "How do I move from a laptop to a tablet?", and the answer is to look for an x86 tablet. There are a variety of models out there; the most popular ones include:

Asus Transformer HP Slate Lenovo
Vibe Samsung NC10 Samsung NC20
